CANCELLATION OPTIONS

As per our refund policy, our deadline for cancellation is June 1. After this date, you have two options to choose from when cancelling a registration. Please note your choice below.

_____ Option 1 **Refund Cheque** - You can receive a refund cheque for your full amount paid less \$50 per cancellation form.

_____ Option 2 **Credit Note** - You can receive a credit note for your full amount paid with no cancellation fee. This credit note allows you to register in a Camps Canada camp at a future date this summer or next. It expires on Sept 1 of the following year. Your camp credit is transferable to any person and may be used for any Camps Canada camp.

* Please allow 10 to 14 days to process cancellations. We cannot put an amount back on your credit card as we do not save your credit card information. We will process your "Cancellation Request" once received in the office.
